As a first-year Software Development student at MCAST (The Malta College of Arts, Science and Technology), I am actively seeking an apprenticeship opportunity to gain hands-on experience in the industry. I am eager to contribute my skills and knowledge to a company that provides me with a chance to learn and grow.

PERSONAL PROJECTS

Personal Portfolio
A showcase of personal projects and skills, featuring Multiple interactive pages: Home, skills and contact pages.
Technologies Used:
- HTML & CSS
- Javascript

AI Image Generator
Developed an AI image generator from scratch using the Hugging Face API.
